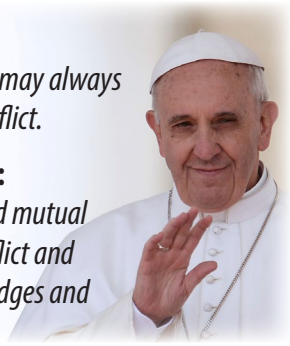
Holy Father's Prayer Intentions

In the Service of Peace

That the language of love and dialogue may always prevail over the language of conflict.

Proposals for the Month:

Cultivate dialogue, reconciliation and mutual understanding in situations of conflict and rupture in your community. Build bridges and promote peace.



Liturgy Reflection

Normally when we hear this selection from John's Gospel it's on Good Friday in the lengthy account of the Passion of Our Lord. When just these few verses are excerpted - featuring Pilate's initial questioning of Jesus - we really get a sense of how obsessed Pilate is with the possiblity that Jesus is a king. It is a tendency among political leaders, no matter the size of their "kingdom," to put their highest priority on retaining their power. Jesus was said to be a king and so Pilate saw him as a potential threat to his power. But Pilate misunderstood. As Jesus tells Pilate, he did not come to fight the political establishment. He did not come to seize power. He came instead to testify to the truth. This is what distinguishes God's kingdom from any kingdom of this world. It is not obsessed with power. It does not need to be. "His dominion is an everlasting dominion," we hear in the first reading. "I am the Alpha and the Omega," the beginning and the end and everything in between. Every kingdom of this world is temporary; God's kingdom is eternal.

True Stewardship

The gospel message proclaimed throughout the New Testament invites us to live in harmony with the world. This is a challenge to care for the world and be stewards of all that God has given us. Like generations before us, we are entrusted with the care of the earth so that generations to follow may enjoy the same gifts. Sometimes, however, we are absorbed into the ways of the world. When we are of the world, we rely heavily on the power of wealth, beauty, fame, and accumulation of material possessions. We want earthly possessions and carelessly turn our hearts from the responsibilities of stewardship and conservation. The readings today challenge us to walk away from the world so that we might inherit our share of God's kingdom. How we live our lives directly reflects our love for God.

A Note from the Parish Administrator

Disclaimer: Written Nov 16 to make deadline.

In response to questions as to who's now on the City Council, when do they take office, etc: As part of the Charter and Bylaws of the Code of Ordinances, the City Council will be made up of the mayor and four members, all qualified electors and residents of the City of Gulf Breeze. One member will be elected by the council as the Mayor Pro Tem to serve during any absence of the mayor. Council members serve 4-year terms (staggered every two years), while the mayor serves 2-year terms. No salary, in excess of one dollar ($1.00) per year, shall be paid to the city council or mayor. The members are designated by seats. Seats A (Cherry Fitch) and B (Tom Naile) are at mid-term, while Seats C (Renee Bookout departing, Todd Torgerson arriving) and D (David Landfair moving up to mayor and Randy Hebert arriving) make up the council. Members may not be sworn in until at least 30 days after the general election – in this case December 10.

Some items the new council will be dealing with include discussions on placement of a Beach Dog Park between Shoreline Park South and Soundview Trail. Discussions are heating up there as residents air their views – some diverse views by professionals make this even more interesting. Usage and access to various parks (Malaga, Navy Cove, Bay Cliffs Preserve included) will be discussed going forward. Other items recently approved but still debated are the sale of 45 acres on the old Tiger Point West course to the Santa Rosa County School Board and the sale of the TP driving range to a developer who plans to also purchase the adjoining property, which was the old St. Sylvester site.

Two other items working their way through the agenda are related to the building of a Home 2 Suites hotel in the Sea Shell Collections Shopping Complex (Publix near Rotolos). Home 2 Suites is a "mid-tier, all suite, extended-stay hotel featuring contemporary accommodations at an affordable price point, targeting both business and leisure travelers." It consists of four stories with 109 rooms, outdoor pool and indoor workout area. Those who remember back in the day – this was the Allen Davis Sea Shell property.

The Gulf Breeze High School football team had a good year again – not as good as they would have liked- but a good year nevertheless. During the season, in a completely unique manner, several groups participated in providing a team breakfast on Fridays. Working with the Quarterback Club, St. Ann provided the space, drinks and sound equipment, while the Momentum Church provided the food, prepared it, served it and cleaned up afterward (under Tammy's watchful eye, of course). A good community outreach for all.

Tom Naile

Hopefully – by the time you see this – the Optimists will have received the annual tree shipment of Frasier Firs from our supplier in Boone, NC. That's the source of the St. Ann Christmas trees and greenery for the wreath-making. There's a problem this year because our tree supplier has encountered much bad weather and is having trouble getting the trees cut and on the truck. Stay tuned.

Word of the Day: "Quaquaversal" (kwah-kwuh-VUR-sal) Sloping downward from a center in all directions.

Truism: The Paradox of Time (Steven Covey, I believe) – not to be confused with The Paradox of Our Time – "We never have enough time – yet we have all there is."

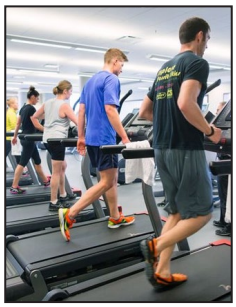
Health Tips by Nicolle

The holidays are quickly approaching, and so are all the sweet treats, hustle & bustle of shopping and wrapping, and additional stress that some of us may be feeling. The answer to help combat all of the above is simple . . . **EXERCISE!**

Exercise doesn't just benefit your waistline. Here are a few benefits of regular exercise from the Mayo Clinic: 1. The most obvious - weight loss/ weight control 2. Prevention of diseases, such as heart disease, stroke, diabetes and Alzheimer's (just to name a few) 3. Boosts energy 4. Promotes sleep 5. Prevention & treatment of depression



The Mayo Clinic recommends either 150 minutes of moderately intense exercise per week or 75 minutes of high-inTensity exercise per week. **Please consult your primary care provider before starting any new exercise program.**
